

CLINICAL TRIALS IN THE ERA OF AI

Re-imagining Clinical Research:
AI as the Catalyst for Smarter and Faster Trials

January 30th, 2025

This is almost the first of its kind with all stakeholders and open discussions.

DR FAIZA BASHIR

CLINICAL TRIALS IN THE ERA OF AI

Re-imagining Clinical Research:
AI as the Catalyst for Smarter and Faster Trials

January 30th, 2025

Very informative, great insight and I see a great future for AI research in Pakistan.

DR AREEJ NIAZI

RESEARCH DIRECTOR, DR
AKBAR NIAZI TEACHING
HOSPITAL.

CLINICAL TRIALS IN THE ERA OF AI

Re-imagining Clinical Research:
AI as the Catalyst for Smarter and Faster Trials
January 30th, 2025

It was a very enlightening event. The relationship between technology and medicine is very transformative. The symposium gave me an opportunity to network with clinicians and policymakers & lots of take home notes.

PROF DR NAIMA ALTAF

Head of Research MCS, NUST.
